

We are delighted to offer a new package for our Great White shared Christmas Party at the Sea Life London Aquarium on Friday 7th and Saturday 15th December 2018.

Our NEW package includes a glass of Prosecco upon arrival and offers informal dining with food stations containing a delicious selection of British and Indian cuisines followed by dessert canapés. With one of Europe's largest displays of marine life, our fantastic Christmas party is truly unique with a spectacular backdrop in a tranquil underwater sanctuary in the heart of the Capital.

Your evening begins as you walk across the shark tank where you can watch these impressive creatures circling just inches below your feet through the glass walkway. Make your way down to the Pacific Wreck where guests will be greeted by divers in the shark tank. A welcome glass of Prosecco will be available whilst you admire the incredible displays of colourful fish, sparkling coral and majestic turtles. Make your way through the stunning glass Ocean Tunnel to the Atlantic Cove for dining followed by dancing. The Atlantic Cove has an ever-changing display of shoaling fish and sharks, offering the perfect backdrop to your magical Christmas party experience.

The Sea Life London Aquarium is ideally located on the South Bank, next to the London Eye and is only a short distance from the Houses of Parliament, Waterloo Train and Tube Stations.
